The South Dakota Board of Nursing ("Board") met in Sioux Falls, South Dakota, for its regular meeting on April 22, 2010. At that meeting the Board was advised of the Informal Meeting which was held between you and Board staff on April 8, 2010, regarding the falsified medical record of a home health care client and the subsequent DSS billing submitted for that client.

Based on the information provided to the Board, the Board has determined that your conduct is in violation of SDCL § 36-9-49(10), in that you are guilty of unprofessional and dishonorable conduct.

Therefore, the Board, according to the disciplinary procedures outlined in ARSD 20:48:08, issues this Letter of Reprimand. In addition, the Board will require you to complete the learning module on (1) Ethics of Nursing Practice. You are responsible to

purchase and complete this module and return a successful Certificate of Completion of this module to the Board office no later than July 1, 2010. You can register for this module on the following website: <a href="https://www.learningext.com">www.learningext.com</a>

This final action is reportable discipline and will be published in the Board's newsletter, posted on its website, and reported into the Healthcare Integrity and Protection Data Bank (HIPDB) and National Practitioner Data Bank (NPDB) as required by law.

Additionally, as this is a reportable discipline, you are required to provide an affirmative response to inquiries of disciplinary action on further renewals and other nursing related inquiries.

Dated this 29th day of April, 2010.
